simple. Vinyl records sound better. The quality of a digital music recording like a CD is limited by its bitrate, or the rate at which it records information. The sound on a digital album is a series of snapshots, and the music is often compressed afterwards to reduce the file size. The grooves of a record ...

Theory (1991) The Low End Theory is the definitive statement about what creativity, innovation, artistry, fun and raw talent can produce. Building on the quality work of their debut, Tribe perfected the fusion of jazzy influences and bass-heavy Hip Hop beats. The album is so coherent and consistent, it almost feels like one long song - in this
