Led is the past tense of  
the verb lead. In  
addition to that, lead  
can also be a noun or  
adjective. Because  
these two words are  
used for different  
tenses, they can never  
be interchanged. Lead,  
as a verb, is the  
opposite of the word  
follow.

The past tense of the verb lead is led, not lead. One reason for the confusion might be that a similar verb, read, has an infinitive that's spelled the same as the past tense. But with lead, that's not how things are. Led is the correct way to spell the past tense of lead. Lead is a common misspelling of the past tense of the verb lead.
