The NBME free 120 is a set of 120 questions given by NBME that you can utilize within their web interface. The Free 120 simulates the exact format of the USMLE Step 1, question style and length, and user interface (i.e how the screen looks, how break time looks, etc). It is 3 blocks of 40 questions timed exactly like the USMLE Step 1, it gives you the exact same tutorial, and it allows you to ...

Let's not mince words: NBME self assessments are an essential part of your USMLE Step 1 preparation. Nothing will provide the same simulative or predictive value of an NBME practice test. Not USMLE World, not Kaplan Q-Bank, not USMLE Rx —nothing. These other resources can all serve a purpose (especially USMLE World), but only NBME practice exams will give you assurance that you are ready ...

Just in time for Halloween and three months after major changes to practice exams, I am proud to present the r/Step2 2021-2022 Score Predictor and Offline NBME Score Converter! Typically u/VarSH6 or someone better at data collection and statistics handles this, but with residency starting and intern year slowly consuming both of us, I thought I'd handle this solo.
