About Quiet Girls Can Run the World This Lean In for introverts empowers women who may not be the loudest and most assertive people in the room to lead on their own terms. Our culture tells us that in order to succeed at work and in life, we need to be vocal, assertive leaders; but a strong team requires multiple perspectives and personality types—even, or especially, the ones that often go under the radar.

Quiet girls can run the world : owning your power when you ...

Guys can like quiet girls just fine! That being said, there is a difference in quiet and too quiet. Quiet is not being loud or boisterous. It's not being up in someone's face or nonstop talking just to fill a silence. Too quiet is when you can't hold a conversation either because you are too shy to ever speak, or just never have anything to ...
