Manual Conventions In this manual, when you are instructed to select an item, small arrows (>) appear in the text. They indicate that you should highlight a series of items on the screen using the ROCKER, and press in to ENTER after each item. For example, if you see “select Service > Show Info,” you should highlight Service, and press ...

GPSMAP 62 series - Garmin

I do stick with major brands such as SanDisk, Samsung, Kingston and Lexar since reputation is hard-earned in SD cards. I've flown them all regularly over the past 3 years across five different 4K+ DJI drones including the Air 2S without any issues. Folks will have bad experiences with even the top brands, so I just look for the proper speed ratings (U3 or V30) and reasonable price among ...
