We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-book resources so you can download new reads and old classics from the comfort of your iPad.

### Scubapro R190

I've used an R190 for years in the subtropics and Texas, and it's great! The thing's tough as nails, breathes pretty good, and super-reliable. However it IS a bit on the bulky side... you may want to check out the smaller R380, which I've heard is nothing more than an R190 shoved into a littler housing.

### Scuba Pro R190 | ScubaBoard

Up for sale is a Scubapro S600 regulator with a MK18 first stage and a R190 safe second octopus. The regulator was tested and works properly with no leaks. The regulator is in excellent condition and shows very little signs of use.As with all scuba gear, this regulator should go to your local dive shop for annual service prior to use.

### SCUBAPRO S600 S-600 REGULATOR R190 SAFE SECOND STAGE ...

LP Hose The R190 regulator was designed with the serious sport diver in mind; it is rugged and requires very little maintenance SCUBAPRO took the R190 and enhanced it to create the ultimate octopus The R190 octopus offers the same durability as the R190 and a few additional features.

I have an older Scubapro R190 and it is missing the housing plug Part #11300037. Can't find one of them anywhere. I found S Part #210801121 called a Housing insert on E-Bay and was wondering if any of you dive nerds out there would know if these are the same parts.
