

2017-18 Directory

A photograph of a woman with blonde hair tied back, wearing a pink sleeveless top, leaning over a table. She is looking down at a young child in a red shirt who is sitting at the table. The child's back is to the camera. They appear to be engaged in an activity together. The background shows a classroom setting with colorful surfboard-shaped decorations on the wall.

Ofsted Registered
Childcare Providers**

W.A.C.C Approved Ofsted Registered Childcare Providers 2017-18

At Walsall Adult and Community College we work in partnership with many Ofsted registered childcare providers across the borough.

You will need to contact your chosen W.A.C.C approved childcare provider for a place, let us know, and we will contact them with payment details for the times you are studying at W.A.C.C.

If your chosen childcare provider is not already approved on the list, we can contact them to see if they wish to work with us under agreed terms.

Each learner is entitled to a maximum of £1000 per academic year for childcare, regardless of number of courses attended and any application must be approved before using the services. If applications are not approved, or exceeds the limit, learners will incur the cost of the services provided.

All information is correct at the time of printing and is subject to change. Please be aware that the College may not be able to provide services or courses in a range of circumstances, including: low class numbers, long term illness of specialist tutor, industrial action, and severe weather conditions.
